How To: Configure your alert options within the My Message Center module

INTRODUCTION

This article describes how to configure your alert options within the My Message Center module.

STEPS

- Access the WatchMeGoPro™ home page via the following URL: www.WatchMeGoPro.com
- Enter your email address in the Email field
- Enter your password in the Password field
- Click the Log In button
- Click the My Message Center menu item
- Click the Alert Options button
- From the Team Name: drop down, select the respective team to configure email and/or text alert settings

*Note: The Team Name: drop down will only show teams that a user is associated with or is actively following.

- Select the desired settings
- Click the Save button
